Editor's Message

Our next meeting is Wednesday, **OCTOBER 5TH, 2016 AT **7 P.M.** (DOORS OPEN 6 P.M.)!** We have shifted the schedule around and moved up our "Dinosaurs Numismatics" to our next meeting.

Remember we are looking for **members to volunteer time for our fall coin show**. See flyer on page 9. That same day is the pre-view of the **Guelph Coin Auctions** items at the Legion, and the auction commences at 5 p.m.

We're asking all members to promote our November 12 **Educational Symposium FREE to the public**. We are looking for folks new to the hobby or on the fence about entering the hobby, and folks who never heard of numismatics and are interested in learning more. Help steer folks in our direction. We're hoping to have somewhere in the 40-80 range! See flyer on page 3, and spread the word!

There are **many positive changes** to the **Ontario Numismatic Convention** running Friday, April 21 through to and including April 23, 2017. For example the main registration kit has dropped back to \$25, and the banquet tickets have been reduced to \$35 (**Scott Hopkins** is the Keynote Speaker). **Scott Douglas** is organizing another terrific Educational Symposium. Once again there will be fun kids events too! This year we have new exhibit categories, and updated rules. At the convention there will be additional specialty clubs meetings, and we are currently negotiating to return to having an auction. Registrations are now available, watch ONA website for more convention updates at <http://www.the-ona.ca/>. This is also an election year, so ensure you have submitted your ONA nomination form!

Happy, safe, and healthy Thanksgiving and Oktoberfest to all SWCS members and friends!

Thank you to our auctioneer **Scott Douglas**, runner **Peter Becker**, and recorder **Lowell Wierstra** for another successful auction at our Sept. meeting. We continue to have very low consignment fees, and we're now accepting items for our December and March auctions. Also thanks to **John Semedo**, **Mel Brown** and **Lowell** for looking after tickets for our draws. Remember, the \$95 envelope was unchosen by our Daytona Draw winner, so it's still in play. But tickets at the Oct. meeting, and you could be the winner!!!

South Wellington Coin Club founded 1997

Club Report & News reported by Mike Hollingshead, John Semedo, and Scott Douglas (photos by Judy Blackman)

Here's SWCS Sept. 7th Draws and Accolades:

We had **28** present including 3 special guests: **Henry Nienhuis**, President of the RCNA; **Paul Johnson**, Executive Secretary for the RCNA; and **Ron Cheek**, our Keynote Speaker. It was also nice to see some folks who may have been away this summer, such as **Jerry** and **Diane Cooper** who just moved to Elmwood. Was great to also have two of our founding members out again, **Bob** and **Tony Zmija**. **Albert Dayeh** shared a video from an earlier SWCS meeting.

Andrew Strachan led an interesting discussion on the impact of certification companies "over-grading of coins" on collectors. He was encouraged to share his thoughts with **Canadian Coin News**, given the well-researched observations he sent to Scott.

Sean Sinclair invited members to attend the Maker Faire / Maker Expo at the City of Kitchener (tundra) on Sat., Sept. 10th, and he also explained **Diyode's** community Mondays, and their membership program. **Diyode** is a non-profit organization. **Diyode** was having two of Sean's cases in their display, one with four Canadian Tire tokens in it, while the other a full set of the War of 1812 cons (8 twenty-five cents coin and a two-dollar coin). Sean also promotes **Kwartzlab Makerspace** (not-for-profit organization). On the 4th Wednesday of each month (6-9pm), **Kwartzlab** has a 3D printer meetup for everyone who is interested in 3D printing, or for those who would like to learn more about it. Each month, they try to have a guest speaker and to arrange technical demos.

Paul Johnson expressed sincere thanks on behalf of the Canadian Association For Numismatic Education (CAFNE), for SWCS's generous donation. He explained the many worthwhile endeavours CAFNE uses such funds to support. **Scott Douglas** also explained the application process and how something like SWCS seminar may be eligible for CAFNE support.

The **Membership Draw**: New father **Andrew Fedora** won the \$10 to help with the cost of diapers! Congratulations Andrew! For our October meeting, the draw starts again at \$5.

King Arthur's Treasure:

The 72 item equivalent was won by **Clive Cresswell**. Remember to bring 5 foreign coins or numismatic equivalent (such as CTC), or a loonie to participate. **Mike Hollingshead** suggest you keep some foreign coins in your car so you have them whenever you attend a club meeting where such a draw will take place.

Daytona Draw: For the benefit of our guests, Scott explained how him and **Lowell Wierstra** brought this idea back after visiting the **Daytona Coin Club** meeting. Scott is a member of the DCC as he joined due to his many visits to Florida over the years. Winning ticket holder was **Clive Cresswell**. Bidding opened with Scott asking for \$10, it was quickly bid at \$25,

other bidders chimed in, and **Mel Brown** had the final bid of **\$32**. Given the chance to win a prize valued at \$95, Clive chose to keep the envelope instead of taking the cash. Clive had picked envelope #3, it contained a group valued at **\$44** (1988 Cdn. Proof Set, 2004 Cdn. Proof Set, 31 Cdn. Nickels (1961-1990) in a blue Whitman folder, and 24 Cdn. Sm. Cents (1973-1992) in a blue Whitman folder).

Scott then showed the envelope containing the \$95 prize was #4, but mentioned he shuffles the items around each month, so it doesn't mean it will be in envelope #4 next month. Scott also showed the 2009 Special Edition Silver Gold-Plated 8-coin Proof Set (100th Anniversary of Flight in Canada) which has a Sterling Silver (.925) Dollar, Two Dollar, Ten Cent, and 5 Cent coin, and a nickel Dollar and Fifty Cent, and a Copper Cent. Scott teased that if too many months go by without the large prize being won, we might add a second high-valued prize to the mix.

Club Report & News reported by Mike Hollingshead, John Semedo, and Scott Douglas

Education Programs:

This picture is **Scott** presenting **Ron** with SWCS “thank you” for traveling to give us a wonderful and informative presentation. SWCS always ensures its guest speakers have their travel costs covered!

Ron Cheek gave an outstanding presentation on the 17 Coins of South Vietnam, as well as the long history of rebellion in the area. He complimented his presentation both with December 2015 pictures taken by his family who spent 3 weeks in Vietnam and historic pictures. April 2015 was the 40th anniversary of the fall of Saigon, the day North Vietnam's Communist army capture the South Vietnam's capital. As USA reported in April 2015, “Yet even as the non-united country trumpets the North's victory over American invaders during a devastating conflict that left more than 3 million Vietnamese and nearly 60,000 American troops dead, bitter rifts over the civil war remain deep and unresolved.” Huy Dur explains, “Vietnamese from both sides have to agree on what happened. People who were sent from the North believed that they fought against the invading Americans and were liberating the South. And many people from the South... believe it was a civil war, that the South was invaded by the North.”

SWCS was privileged to have breaking news about the 1975 F.A.O. South Vietnam nickel-clad coin (obverse lettering: TĂNG-GIA SẢN-XUẤT NÔNG-PHẨM; reverse lettering VIỆT-NAM CỘNG-HÒA 50 ĐỒNG NGÂN-HÀNG QUỐC-GIA VIỆT-NAM) which was never issued (due to the fall of Saigon in April 1975), and all were suppose to

have been destroyed, but two workers at the mint took 36 of them. They surfaced in Ireland and France, and since have traveled into England and the U.S. and Canada. After working his contacts, Ron was able to reach one of the parties, and he received a letter the day before our meeting, confirming what Ron believed had taken place. Ron is a avid researcher and writer, and will keep going until all the pieces of the puzzle are solved!

Ron also showed the poor reproductions coins (and they are identified as reproductions) sold on-line such as eBay selling to \$50 USD.

Official Coinage of Kingdom of Hawaii

This is one of the only coins coined by known makers in the continental United States that was authorized by the Kingdom itself. It is the 1847 keneta (cents) and this 1D 1883 silver issue.

Presidential Award Presentation

Henry Nienhuis, President of the *Royal Canadian Numismatic Association* (RCNA) attended our September meeting for a special presentation to **Judy Blackman** of the RCNA Presidential Award. These photos are courtesy of **John Semedo**. The award included a suitable Certificate of Recognition signed by both Henry and **Paul Johnson**, and a silver engraved medal encased in a holder made by **Sean Sinclair**.
